MARK YOUR CALENDARS

Saturday, May 27th, 1-5pm **CULTURAL DAY**. Please see attached invitation.

This month our great group of Aboriginal educators have been working long hours at bringing more and more cultural experiences to students in our district. We have completed our team by adding a fourth FNMI liaison Jonelle Gladue. Jonelle's main schools will be St Kateri and St John Bosco this year. She lived in Medicine Hat, AB for a number of years working with Aboriginal families in areas that include: youth programming, cultural events, cultural awareness, Aboriginal issues, and Aboriginal rights. She made the decision to move back to Northern Alberta to continue her work with the people. She looks forward to the future relationship, school enhancement welcoming opportunities for parents, activities for youth and being in the school as one on one support. Welcome to the team.

We will be starting some drumming presentations this month in many schools for our older FNMI students (grades 4-up). Please encourage your son or daughter to participate. Malina Dawn will be offering some drumming lessons and songs to our students in the weeks to come. Malina believes in being in harmony with nature and is very connected to the land. You can see her on the following link. <https://www.youtube.com/watch?v=6rKiUhFzETI>. Watch next month for more pictures of the drumming circles.

On April 12th, we hosted our second parent meeting. A lot of great ideas were generated on how to continue to improve our program. Thank you to all parents who attended. One of the suggestions was to conduct our meetings at alternative schools, therefore a big thank-you to Darryl Thibault, principal of St. Gerard for providing us a space at his school on Wednesday, May 10th, from 6-8pm. The address of **St. Gerard is 9724 88 Ave, Grande Prairie**. Please RSVP tinamcdonald@gpcsd.ca as I will be ordering pizzas for dinner. The main focus of the meeting will be organizing the Cultural Day.
